

MEDICAL RELEASE OF LIABILITY

The statements made within any Breathing Life Into Grief events and all company marketing material have not been evaluated by the U.S. Food and Drug Administration.

The statements, services, and products of this company are not intended to diagnose, treat, cure, or prevent any disease.

Breathing Life Into Grief does not provide medical advice. The information provided live, on the website, and on all social channels and marketing material is for informational purposes only. The company's information and services are not meant to substitute for medical advice, or medical care or to prescribe treatment for any specific condition.

The statements made live and on the website are for educational purposes only and are not meant to replace the advice of your physician or healthcare provider.

Please consult your physician before implementing any new breathwork routine, wellness regimen, diet, exercise, or dietary supplement programs, especially if you have preexisting medical conditions or are taking prescribed medications.
